(1) For all Out-of-Network elective and non-emergent Hospital services the Plan will not pay more than Plan's Allowable Charge which will be based on 60% of Recognized Charges for both inpatient & outpatient services.

(2) Some of these services require pre-authorization. For Network services, your physician should obtain pre-authorization for you, however, you are ultimately responsible for pre-authorization for all services (in or out-of-network), otherwise a penalty of 50% of the Plan's allowable amount, to a maximum of \$2,500 will be applied.

Note: This summary is not intended to be a comprehensive list of services and is not a guarantee of coverage. Once enrolled, you will be supplied with a Plan Document/Summary Plan Description (SPD) that will detail all covered services.

*Embedded means you can satisfy the Family "Deductible" or the Family "Maximum Out-of-Pocket" with any combination of family members satisfying the amount. However, no one individual may meet more than the individual amount. In-network and out-of-network Deductibles and Out-of-Pocket Maximums are tracked separately, such that Covered Services applied to one will not apply to the other.

Note: This summary is not intended to be a comprehensive list of services and is not a guarantee of coverage. Once enrolled, you will be supplied with a Plan Document/Summary Plan Description (SPD) that will detail all covered services.
